JIDEG

Journal of Industrial Design and Engineering Graphics

A publication of the Society of Engineering Graphics – SORGING

The Journal of Industrial Design and Engineering Graphics is the referee journal of the Society of Engineering Graphics – S O R G I N G – http://www.sorging.ro. SORGING is a non-profit Romanian scientific society founded in 2000. The primary goal of the SORGING is to advance the science of engineering graphics and industrial design by creating a national organization that is responsive to the needs of scientists and engineers concerned with graphics and design problems all around the world.

Manuscripts of articles, technical notes and letters-to-the-editor should be submitted to the Editor-in-Chief. Copies articles on specific topics listed above should also be submitted to the respective Scientific Editor. Manuscripts are refereed by at least two referees and are reviewed by the Editor-in-Chief before acceptance. On acceptance, revised articles, brief biographies and photographs of authors should be submitted to the Managing Editor by Express mail. Manuscripts of articles must be prepared in strict accordance with the author instructions. No honorarium is paid for articles.

The authors should ensure that they written entirely original works, and if the authors have used the work and/or words of others that this has been appropriately cited or quoted. The author represents and warrants to SORGING that: (i) the work is not in the public domain; (ii) the author is the sole proprietor of the work; (iii) the work has not heretofore been published in whole or in part.

All information concerning subscription, new books, journals, conferences, and so on should be submitted to the Editor-in-Chief. Requests of specimen copies and claims for missing issues as well as address changes should be sent to the Editorial Office.

JIDEG is an open access journal. Referring to the license terms applies, we choose to let others distribute, remix, tweak, and build upon our work, even commercially, as long as they credit us for the original creation.

No responsibility is assumed by the Editor for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products instructions or ideas contained in the material herein.
